EMPLOYEE COMPENSATION AND FRINGE BENEFITS

Section B – Salary Schedules

See Appendix A

Section C – Pay Period

The employee will have twelve (12) equal paychecks beginning September 24th of each school year. If the pay date falls on a Saturday, Sunday or nonworking holiday, the employee will receive said paycheck on the previous work day.

Teachers employed by the District , five (5) or more clock hours per day will be provided hospitalization, major medical, term life insurance and dental insurance in the amount of six hundred fifty dollars (\$650) per month for twelve months in the 2013-2014 school year, for a total of \$7800 toward the cost of the insurance plan. The amount will increase to six hundred eighty dollars (\$680) per month for twelve months for the 2014-2015 school year, for a total of \$8160, towards the cost of the insurance plan, then to seven hundred ten dollars (\$710) per month for twelve months for the 2015-2016 school year, for a total of \$8520 towards the cost of the insurance plan.

2. Eligibility of Employees

All questions concerning the eligibility in the District's insurance program shall be determined by the insurance carrier.

3. Salary Option in Lieu of Insurance Program

For the 2013-2014 school year, an employee who elects not to participate in the District's group insurance plan will receive six hundred fifty dollars (\$650) per month for twelve months in the 2013-2014 school year, for a total of \$7800 . The amount of the cash option shall increase to six hundred eighty dollars (\$680) per month for twelve months for the 2014-2015 school year for a twelve month total of \$8160, then to seven hundred ten dollars (\$710) per month for twelve months for the 2015-2016 school year, for a total of \$8520 for the 2015-2016 school year. In order for an employee to receive salary in lieu of the insurance option, the employee must notify the District's office by August 1st of each year. Once the employee selects either insurance or the cash option, he/she shall not be allowed to change the option for the remainder of the school year.

4. Teacher Retirement Requirements

For Teacher Retirement System purposes, the option to select the salary renders the entire amount of the cash option to be deemed income to all employees who select health insurance as well as those who have the option to select the cash option. Thus, any amount owed the Illinois Teacher Retirement System for the Board's compliance with this Article shall be borne by the individual employee.

Section E – Teacher Retirement

According to authority granted by the Pension Reform Act of 1974, Section 414(h)(2) of the Internal Revenue Code, the Board agrees to pay out of the salary schedule the current employee contribution rate according to TRS (at the time of this contract the rate was nine and four tenths percent - 9.4%) of each employee's gross salary to the Teacher Retirement System on behalf of each teacher as a tax-sheltered direct contribution.

Should any of the above be declared improper by an IRS ruling or opinion or by a court of competent jurisdiction, the clause or portion thereof shall be deleted to the extent that it violates the ruling or opinion.

Section F – Mileage Reimbursement

Teachers will be reimbursed for mileage for assigned District travel at the IRS rate effective July 1st before each school year. Payments shall be made monthly from travel vouchers submitted.

Section G – Professional Growth

Teachers who earn credit in graduate courses may advance horizontally on the salary schedule provided the following requirements have been met:

1. The teacher shall present a written request for course subject approval to the Superintendent in advance; however, in situations where a teacher is required to teach a new course or in a new area without prior notice, the “in advance” criterion will be waived, providing the unapproved course is determined pertinent by the Superintendent to the new class or subject area.
2. The Superintendent may accept or reject a course for any or all the following reasons:
 - a. Its pertinence to the area of education; and
 - b. Its relevance to subject(s) taught.
3. When a written request for course subject approval is submitted to the Superintendent, said request shall be granted or rejected within ten (10) days of its submission. If the request is rejected, the Superintendent shall notify the teacher in writing of the reasons for the rejection.
4. The acceptance or rejection of a course shall not be subject to the Grievance Procedure.
5. Once advance approval for the course is given and the course is completed, the following conditions must be met prior to the teacher receiving the appropriate salary schedule placement:
 - a. All hours must be earned at an accredited institution of higher learning; and
 - b. Satisfactory completion of a course must be demonstrated by either a grade card or other writing bearing the course instructor’s signature submitted to the Superintendent by September 1st. Satisfactory completion of the course will be defined by a grade of A or B in order to acquire reimbursement. If letter grades are not given, pass or satisfactory will be accepted for reimbursement. An official transcript from the institution demonstrating successful completion must be on file in the District’s Administrative Office as soon as it becomes available.

6. Teachers shall be advanced at the appropriate earned step on the salary schedule only at the beginning of the academic year.
7. For graduate hours that meet the requirement above and taken in conjunction with the teacher meeting the recertification requirements, the District will reimburse the teacher up to one hundred fifty and 00/100 dollars (\$150.00) per credit hour. The maximum the District will reimburse a teacher in a fiscal year is for eight (8) semester hours of credit. In order for the teacher to receive reimbursement, he/she must present a copy of his/her personal check used to pay for the class along with a grade card showing successful completion of the course.

Section H – Retirement Incentive

Eligibility

To be eligible for any of the following Plans, an employee must meet the following requirements:

1. Be an employee with at least fifteen (15) years of teaching experience in the Selmaville School District; and
2. Be at least sixty (60) years of age by the last day of service in the District; or
3. Be at least fifty-five (55) years of age with thirty-five (35) years of creditable service as defined by the Illinois Teacher Retirement System by the last day of service in the District.

The District may require proof of eligibility.

Definitions

For purposes of this Article, TRS creditable compensation (earnings) include (but are not limited to):

- Salary for regular contractual teaching duties
- Wages for substitute teaching
- Wages for homebound teaching or tutoring
- Earnings for extra duties performed that relate to teaching or supervision of students, and other assignments related to the academic program
- Earnings for summer school
- Bonuses
- Contributions to qualified plans eligible for tax-deferral under the Internal Revenue Code, Sections 401(a), 403(b), and 457(b)
- Contributions to flexible benefit plans

- Salary or back wage payments resulting from contract buy-outs, labor litigation, and settlement agreements

Two Year Plan

If an eligible employee gives the Board an irrevocable letter of retirement prior to May 1 two (2) years prior to the year of retirement, the employee will be removed from the salary schedule and for the final two (2) years of employment the employee's TRS creditable earnings shall be increased by six percent (6%) over the employee's TRS creditable earnings for the prior years of employment respectively.

Example: An employee gives his/her irrevocable letter of retirement prior to May 1, 2006, stating he/she will retire on June 30, 2008. The employee's TRS creditable earnings for the 2005-2006 school year were \$40,000.00. The employee's TRS creditable earnings for the 2006-2007 school year will be \$42,400.00 (i.e., $\$40,000.00 \times 1.06 = \$42,400.00$). The employee's TRS creditable earnings for the 2007-2008 school year will be \$44,944.00 (i.e., $\$42,400 \times 1.06 = \$44,944.00$).

Three Year Plan

If an eligible employee gives the Board an irrevocable letter of retirement prior to May 1 three (3) years prior to the year of retirement, the employee will be removed from the salary schedule and for the final three (3) years of employment the employee's TRS creditable earnings shall be increased by six percent (6%) over the employee's TRS creditable earnings for the prior years of employment respectively.

Example: An employee gives his/her irrevocable letter of retirement prior to May 1, 2006, stating he/she will retire on June 30, 2009. The employee's TRS creditable earnings for the 2005-2006 school year were \$40,000.00. The employee's TRS creditable earnings for the 2006-2007 school year will be \$42,400.00 (i.e., $\$40,000.00 \times 1.06 = \$42,400.00$). The employee's TRS creditable earnings for the 2007-2008 school year will be \$44,944.00 (i.e., $\$42,400 \times 1.06 = \$44,944.00$). The employee's TRS creditable earnings for the 2008-2009 school year will be \$47,640.64 (i.e., $\$44,944.00 \times 1.06 = \$47,640.64$).

Miscellaneous

Once an irrevocable letter of retirement is submitted, the employee will not be assigned any additional extra-duties or TRS reportable duties not currently being performed without the consent of the employee.

If after submitting an irrevocable letter of retirement, the employee resigns from or is removed from duties for which the employee was compensated the previous year (i.e., Schedule B, extended contract and/or stipends), the employee's TRS creditable earnings will be adjusted accordingly.

Example: The employee's TRS creditable earnings from the 2005-2006 school year were \$43,000.00, of which \$3,000.00 was compensation for coaching basketball in 2005-2006. Under the employee's retirement plan, he/she would be scheduled to receive \$45,580.00 TRS creditable earnings for the 2006-2007 school year (i.e., $\$43,000.00 \times 1.06 = \$45,580.00$). However, the employee resigns from his/her coaching position before the start of the 2006-2007 school year. The employee's TRS creditable earnings for the 2006-2007 school year will be \$42,400.00 (i.e., $\$40,000.00 \times 1.06 = \$42,400.00$) rather than \$45,580.00.

In the event an employee has submitted his/her timely irrevocable letter of retirement but fails to meet the eligibility requirements because of illness or life changing circumstances, the Board, in its sole discretion, may allow the employee to rescind his/her letter of retirement, provided the employee returns to the Board any TRS creditable earnings paid to the employee in excess of the amount the employee would otherwise have received under the salary schedule for such year(s) in which the creditable earnings were paid.

If legislation is enacted and/or administrative rules are adopted during the life of this agreement that result in a greater cost to the District than the costs generated by this agreement, the provisions relating to such benefits shall be null and void.

ARTICLE VIII

GRIEVANCE PROCEDURE

Section A – Definitions

Any claim by a teacher or the Association that there has been an alleged violation of the terms of this Agreement.

Section B – Time Limits

All time limits shall consist of school days; except when a grievance is submitted fewer than ten (10) days before the close of the current school term, time limits shall consist of all weekdays.

Section C – Statement of Basic Principles

1. No reprisals shall be taken by the Board or the administration against an employee because of participation in a grievance.
2. A grievance may be withdrawn at any level without establishing a precedent.
3. Time Bar – Failure of a teacher or the Association to act on any grievance within the prescribed time limits will bar any further appeal. If no written decision has been rendered within the prescribed time limit, then the grievance will proceed to the next step.
4. Class Grievance – Class grievances involving one (1) or more teachers or one (1) or more supervisors may be initially filed by the Association at Section D, Step 2.
5. Filing of Materials – All records related to a grievance shall be filed separately from the personnel files of the employees.

Section D – Procedures

Informal Step: An attempt shall be made by grievant to resolve any grievance by an informal verbal discussion between the grievant and his/her immediate supervisor. If, however, such informal processes fail to satisfy the grievant, a grievance may be processed as follows:

1. The grievant shall present the grievance in writing within fifteen (15) days of the alleged Contract violation or the date the teacher should have had knowledge of said violation specifying the article and clause alleged to have been violated and stating the remedy sought, to the supervisor immediately involved, who will arrange for a meeting to take place within five (5) days after receipt of the grievance. The supervisor shall provide a written answer to the grievant within ten (10) days after the meeting. If the immediate supervisor is also the Superintendent, Step 1 shall be bypassed.
2. If the grievant is not satisfied with the disposition of the grievance at Section D, Step 1, the grievant may refer the grievance in writing to the Superintendent within five (5) days after the receipt of the Section D, Step 1 answer. The Superintendent shall arrange for a meeting to take place with the grievant and a local Association representative within ten (10) days of his/her receipt of grievance. The Superintendent shall provide a written answer to the grievance within ten (10) days after the meeting.
3. If the grievant is not satisfied with the disposition of the grievance at Section D, Step 2 the grievant may submit the grievance to the Board for a determination. The Board shall allow the grievant and an Association

representative to present his/her case to the Board at the next regularly scheduled Board meeting, provided the Board has at least ten (10) days' notice of the appeal before such regularly scheduled Board meeting. If an appeal to the Board is not filed within fifteen (15) days of the Section D, Step 2 answer, then the grievance shall be deemed withdrawn.

4. If the Association is not satisfied with the disposition of the Grievance at Section D, Step 3 or twenty (20) days pass without the issuance of the Board's written reply after said Board meeting, the Association may submit the grievance to final and binding arbitration under the Voluntary Labor Arbitration Rules of the American Arbitration Association which shall act as the administrator of the proceedings. If a demand for arbitration is not filed within thirty (30) days of the date for the Section D, Step 3 decision, then the grievance shall be deemed withdrawn.
 - a. Neither the Board nor the grievant shall be permitted to assert any grounds or evidence before the arbitrator which has not been previously disclosed to the other party.
 - b. The arbitrator, in his/her opinion, shall not amend, modify, nullify, ignore or add to the provisions of the Agreement. His/her authority shall be strictly limited to deciding only the issues presented to him/her in writing by the School District and the grievant, and his/her interpretation or application of the express relevant language of the Agreement.
 - c. Each party shall bear the full costs for its representation in the grievance procedure.
 - d. If either party requests a transcript of the proceedings, that party shall bear full costs for that transcript. If both parties order a transcript, that party shall bear the costs of the transcript. If both parties request a copy of the transcript, the cost of the two (2) transcripts shall be equally shared between the Board and the grievant. If both parties request postponement, they shall share equally any per diem costs, if any, assessed by the arbitrator.
 - e. Each party shall equally share the cost of the arbitrator and the AAA.
 - f. By mutual agreement of both parties, at Section D, Steps 1 – 3, the grievance shall bypass to the next step of the grievance process.
 - g. Should the arbitration hearing require that a teacher be released from a class assignment, the Superintendent will make every effort to make suitable arrangements. If such cannot be arranged, the bargaining unit member shall use personal leave or the Association shall pay the cost of the substitute.

ARTICLE IX

NEGOTIATIONS PROCEDURE

Section A

Each party shall select its own representative and will not exceed five (5) in number at any given session.

Section B

Both parties agree that it is their mutual responsibility to confer upon their respective representatives the necessary power and authority to make proposals, consider proposals, make counterproposals and to seek tentative agreements. Tentative agreements shall be reduced to writing and initialed by the spokesperson of the respective team at the meeting the tentative agreement is reached; and upon final agreement, the entire Contract shall be submitted to the Association for ratification and subsequently to the Board for action.

Section C

After March 1st of any year in which the Agreement is to terminate, either party may initiate negotiations on a successor Agreement by serving notice to the other. Negotiations must begin within sixty (60) days of such notice. All items proposed shall be presented in writing at the first bargaining session and thereafter shall not be expanded.

Section D

Bargaining sessions shall be closed to the public. Neither party shall issue public statements regarding negotiations until either part declares impasse. Dates of meetings shall be determined by mutual agreement. Meetings will not last longer than three (3) hours, except that either part may adjourn a meeting earlier if progress is not being made. The parties may mutually agree to extend a meeting.

Section E

If either party declares impasse, the Federal Mediation and Conciliation Service shall be used for mediation purposes.

ARTICLE X
